

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., Oct-2nd, 1885.

Dear Sir,

Your communication of the 1st inst, enclosing a statement of deposits and purchases of bullion at your mint during the year, and bars manufactured, has been received. The standard weight of the fine gold bars manufactured is given as 21,603.570. According to your monthly statements the amount is 21,645.065.

On your annual statement the standard weight of fine silver bars manufactured was 18,436.37; according to your monthly statements, it was 18,982.91. On the annual statement sterling bars manufactured amounted to 18,309.37 ounces; according to the monthly statements, 13,974.22.

Your attention is respectfully directed to these discrepancies, which are embarrassing for the reason that your annual statement was requested

some weeks ago, and it delays the preparation of
the tables for my annual report which is nearly
completed. The annual & the twelve monthly
statements are herewith returned, and you will
please give the matter immediate attention
& return the monthly statements to this office,
with corrected statements.

Very respectfully

Just. Thibault
Director

Wm. D. Fox.
